

Anchora Management AS

Remuneration policy

Article 5 of Regulation (EU) 2019/2088 on sustainability-related disclosures in the financial services sector (the "SFDR") requires fund managers such as Anchora Management AS ("Anchora") to publish on their websites information on how their remuneration policies are consistent with the integration of sustainability risks.

Anchora has not yet begun active operation, and therefore has not yet adopted a remuneration policy. Anchora will adopt a remuneration policy in conjunction with launch of its operations.
